OFFICIAL HOTEL : PAN DEÏ PALAIS « A Legendary Perfume »

Once upon a time in the Kingdom of Punjab a French General fell in love with a young and beautiful Princess named Bannu Pan Deï. To shelter this exotic love and their five children, the General Allard had this princely residence built at n°52 rue Gambetta, in the heart of Saint-Tropez. From this sprung in 1835 a legendary palace, which today still diffuses a delicate perfume of romance.
